ENCHANTING EASTER FUN AT THE GROVE

This Easter, fly away to The Grove and discover a wonderland of themed activities for the whole family, inspired by classic children's stories. You'll feel like Alice, falling into a flowery wonderland of adventures... mad hatter tea parties, treats and sweets, Easter egg hunts, Peter Pan workshops and Lost Boy v Tinkerbell Races... it's all jam packed fun for the young - and young at heart!

Indulge, Peter Rabbit-style, in lashings of chocolate and mountains of cupcakes! Sleep it off in your heavenly bed or with a discreet nap in our Lounges. Work it off with a round of golf or a work out. Whatever you do, you'll have a fabulous cheery time.

LEARN HOW TO...

CREATE FANTASY CUPCAKES!

Join in the cupcake capers with Master Pâtissier Eric Lanlard from London's Cake Boy Cookery School. Learn how he makes light and fluffy sponge then master the art of fantastical toppings! With a pop up store and a cupcake for every guest, you'll also taste his eminently edible masterpieces. It's free but spaces are limited - so please book in advance.

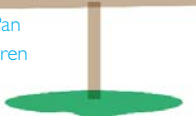

ARRANGE FLOWERS LIKE MCQUEENS!

World famous London florists McQueens create all the stunning flower displays at The Grove. Taking inspiration from Beatrix Potter, they'll teach you how to create your own perfect table displays using seasonal flowers. You'll also learn how to put together beautiful Easter baskets and accessories with seasonal bulbs. £95 per person - please book in advance.

ACT LIKE PETER PAN!

Your little starlets will love all the adventures at Anouska's Kids' Club, especially the story readings and Peter Pan Theatre Workshops run by the renowned theatre company, Perform! Professional actors will teach your children how to act, using classic children's stories... culminating in a Grand Show for all the parents!

HOT CROSS TIPS!

TIPTOP CUPCAKES

Follow a recipe step by step - baking is a science. Use the best and freshest ingredients. Don't open the oven during cooking time. If you don't succeed, try and try again - practice makes yummily perfect. Always bake, decorate and eat on the same day!

ACTING UP!

Practise clear pronunciation by reciting the following: 'Betty Botter had some butter, "But," she said, "this butter's bitter. If I bake this bitter butter, it would make my batter bitter. But a bit of better butter - that would make my batter better." So she bought a bit of butter better than her bitter butter and she baked it in her batter and the batter was not bitter. So 'twas better Betty Botter bought a bit of better butter.'

FLOWER POWER

Keep flowers seasonal and stick to one colour. Pick a vessel with a sympathetic size and shape. Trim stems by half an inch before immersing in water. Change water often to make them last longer. Buy quality rather than quantity and bulbs when you can - they're more economic and last longer.
