FLAME SCHOOL Although it might be tricky to find a bloke willing to attend a barbecue masterclass, those at the Grove hotel in Hertfordshire will be well worth the effort. Sides of salmon, treacle and tea-smoked; smoky aubergines; stout-brined racks of pork... all could be yours this summer, if the rain holds off. Every Sunday until the end of August; two-hour barbecue workshop, £70 per person (01923-296015; thegrove.co.uk).
