

Studio Etiquette

- All Indoor cycling, Barre Fusion and Body Pump Classes require pre-booking with Sequoia Reception.
- A member can book themselves and one other, into a class. Classes can be booked a maximum of 6 days in advance.
- On days where there are two of the same class back to back, a member may book one and join the waiting list for their second choice. This is to allow more people to enjoy our classes.
- Members must inform Sequoia Reception should they be unable to attend their class.
- All guests should use the wipes and spray provided to clean down equipment after use, to prevent the spread of germs.
- Please arrive to your classes at the published time. Late arrivals may not be admitted to the class to prevent disruption to the class and for your own safety.
- There will be a short changeover period between each class for equipment to be put away or set out. Our instructors will always try to keep this time to a minimum.
- Sequoia supply equipment for use in classes and kindly asks that members do not remove this from the studio.
