

Mansion Weddings at The Grove 2018

Just imagine. Palatial gates and a sweeping driveway. Three hundred acres of rolling parkland traversed by lakes and waterways. A magnificent 18th Century mansion with views over all of it. Welcome to The Grove, where we promise to make your wedding as spectacular as our setting.

The Mansion is the perfect setting for an intimate wedding. Former home to the Earls of Clarendon, it houses both the Donneraile and the Garden Room. Each exquisite with original 18th Century features large windows and high ceilings. The Donneraile can accommodate up to 36 for lunch or dinner, with the adjoining Garden Room and the Daniel room, within Colette's, ideal for a civil ceremony or blessing.
