

FROM GARDEN TO GLASS

For centuries, the Walled Gardens of stately homes have cultivated delicacies for the delectation of the privileged few... their very presence was a statement of status and wealth.

The Grove's Walled Garden dates back to 1878 when the Earls of Clarendon were in residence. Since then, classic and exotic ingredients have flourished under the watchful eye of successive head gardeners.

Our cocktails use sustainable home grown leaves, berries and fruits, many hand-picked just hours ago in our Walled Garden... served with a dash of history.

Which garden-grown botanicals will you enjoy in your glass today?
