TOUR TRUCK EXPERIENCE

Step inside our very own Tour Truck and allow one of our PGA-qualified custom fit technicians to guide you through a complete custom fitting solution.

Throughout the season, The Grove will be working with top club manufacturers to run a number of demo and custom fitting days in order for you to try out the latest equipment and work out what's best for you and your game.

With expert knowledge and state-of-the-art technology we will detect current inefficiencies within your equipment and provide tailored recommendations to improve your golfing performance. In addition to custom fitting, our tour truck workshop enables you to have your current equipment specifications monitored and upgraded through loft and lie assessments, grip changes and gapping.

TOUR TRUCK EXPERIENCE CUSTOM FITTING

From £35

Whether it is a single club you need to complete your set, or a full bag fitting, our tour truck custom fitting services are engineered to fit you into the best performing equipment to suit your needs.

Following an in-depth assessment of your game and current equipment, where we will collect data using our TrackMan 4 Launch Monitor, we will recommend and test different equipment components to find that custom combination that will improve your performance.

Full Bag Fitting	2 hours	£125
Driver Fitting	60 minutes	£50
Fairway Wood Fitting	60 minutes	£50
Iron Set Fitting	60 minutes	£50
Wedge Fitting	50 minutes	£40
Putter Fitting	50 minutes	£35

TRACKMAN GAPPING SESSION WITH DYNAMIC REPORT

£40

Calibrate your yardages like a tour professional. Our expert fitters will use the TrackMan 4 system to measure your carry and total distances for each club in your bag.

Unwanted yardage gaps within your set can be overcome with loft adjustments, and lie angle alterations will be made to improve strike and shot dispersion. You will receive a report following the gapping detailing your exact numbers.

DYNAMIC LOFT AND LIE ADJUSTMENT

£25

Have your iron and wedge loft and lies assessed and adjusted to suit your swing. Our fitting technicians will monitor your strike location and ball flight and adjust your lie angles to produce your desired shot shape.

This is highly recommended for all level of golfers.and gapping.

REGRIPPING

£8

Have your grips measured to the size and feel that suits your swing. We have a vast selection to choose from and can fit them whilst you wait.
