# WELCOME TO THE LOUNGES'

## OUR STORY

Make yourself at home in the Lounges. They are, after all, the historic drawing rooms of The Grove, built in 1756. Today, they fuse the spirit of this grand old country house with contemporary artisanal and urban style. Each space expresses its own personality, unified by the art of surprise, and paying homage to the gardens outside.

Here, stars cluster, from football to film. It's where Presidents and Prime Ministers come for world-gatherings and pots of loose-leaf tea. It's where movies have been filmed. It was the secret HQ for Project X during WWII. Longer ago, it's where Vita Sackville West found lovers. And where lavish house parties – thrown by the Earl of Clarendon – kept Queen Victoria amused.

Make your own history here today.

# COCKTAIL MENU

## FROM GARDEN TO GLASS

The Grove's Walled Garden dates back to 1878, when the Earls of Clarendon were in residence. Since then, classic and exotic ingredients have flourished under the watchful eye of successive head gardeners. Our cocktails use sustainable home-grown leaves, berries and fruits, many hand-picked just hours ago in our Walled Garden... served with a dash of history.

Which garden-grown botanicals will you enjoy in your glass today?

# ART IN THE LOUNGES

Everything you see is handmade by artists and craftsmen; most were created specifically for these spaces. The suspended gold bar and loom sculptures are by Umut Yamac. The bronze table is a recycled sculpture from our sister hotel, The Athenaeum. Hand-painted hessian, hemp and linen wall-coverings were designed by Martin Hulbert and made in Italy. The artisanal Scandinavian chest came from the south of France. The vintage Murano glass blue chandelier was sourced in a garage on Pimlico Road. Crockery is by celebrated ceramicist, Ali Miller.
