

FROM GARDEN TO GLASS

For centuries, the walled gardens of stately homes have produced fresh delights for the privileged few.

Their very presence was seen as a statement of status and wealth.

The Grove's Walled Garden dates back to 1878 when the Earls of Clarendon were in residence. Since then, classic and exotic ingredients have flourished under the watchful eyes of successive head gardeners.

Our cocktails use sustainable home-grown leaves, berries and fruits - many of which were hand-picked just hours ago in our Walled Garden.

Which garden-grown botanicals will you enjoy in your glass today?

MANSION ON THE HILL

17

Try our 20th year cocktail,
'Mansion on the Hill' created by
Tom Doherty, The Stables Manager.

Inspired by his 10 years working at
The Grove and the hotel's rich history,
the cocktail contains The Grove gin,
Cointreau, crème de violette
and grapes.

£1 from each drink will be donated to
local Hertfordshire children's charity,
Playskill, our charity of the year.

Playskill provide expert support,
training and respite for pre-school
children in the local community with
physical delays or disabilities.

The page is framed by decorative illustrations. On the left, there are two whole yellow citrus fruits at the top, a large slice of citrus in the middle, and a branch of white blossoms at the bottom. On the right, there is a branch of white blossoms at the top, a bird in flight in the middle, and two whole yellow citrus fruits and a slice at the bottom. The central text is on a white background.
