

HELPING HANDS

Worry that your round won't go according to plan?

The Grove's relaxed attitude extends to our golf tuition. We can offer a range of individual and group golf instruction programmes suitable for beginner to advanced.

For example, a **Swing Check** clinic is a great way to ensure everyone heads out on the right foot, while **Beat the Pro** adds a competitive touch.

Let us entertain your guests who normally miss out on the experience to become part of your special day. They can enjoy a fun learning experience at one of our corporate golf clinic sessions. We are able to cater for golfers of all abilities and no equipment is required other than sensible footwear as we supply everything else.

- > **Beat the Pro** – £299 per 20 guests
- > **Swing Check** – £350 per hour
- > **Rental Equipment** – £70 per set
- > **Trackman Experience** – from £30 per person

We also offer additional services to suit your individual requirements.
