GOLF AT THE GROVE

PROUD HOSTS OF THE BRITISH MASTERS 2016

Widely regarded as one of the finest golf courses in Europe, playing host to the 2006 World Golf Championships and 2016 British Masters supported by Sky Sports, you and your guests can test your skills here and see how you compare to the very best in the world.

The Grove is not a members' club, but a course open to any golfer who loves the game. Playable all year round, the 7152-yard, par 72, 18-hole championship course is perfect for groups of friends or for corporate events, from beginners to seasoned pros. Facilities include a driving range with TrackMan technology, a short game practice area and a putting green.

There's no stuffiness or dress restrictions here, and the ambience is respectful and exclusive but not formal. Great food and drinks are available from the Halfway House and at The Stables throughout the day, and golfers can make the most of our well-stocked golf shop.

FIRST IMPRESSIONS

From the moment you arrive to the time you leave, personal service and attention to detail will ensure we deliver the best event possible for you and your guests.

If you wish to extend your day we have a range of hospitality options, from a casual drinks reception to a formal dinner in one of our private rooms — perfect for celebrating the day and handing out the winners' prizes.

Tournament management includes your own personal tournament co-ordinator to oversee the smooth running of your day. It also includes personalised lockers and directional signage, first tee announcements, an electronic live leaderboard and a scoring summary.

Our on-course player assistants will be there to lend a helping hand if required, although tips on your stroke will be strictly on request only.

TEEING OFF

Before you head out onto the course, get ready in your locker room and enjoy a light breakfast. Once fuelled, warm up on the driving range with your own pyramid of balls, making use of the game-enhancing TrackMan Range technology.

When you're ready, take your GPS-fitted, Bluetooth-speaker-equipped golf cart to the first tee ready for a challenging 18 holes on the par 72 world championship golf course.
