

## FROM GARDEN TO GLASS

For centuries, the walled gardens of stately homes have produced fresh delights for the privileged few.

Their very presence was seen as a statement of status and wealth.

The Grove's Walled Garden dates back to 1878 when the Earl of Clarendon were in residence. Since then, classic and exotic ingredients have flourished under the watchful eyes of successive head gardeners.

Our cocktails use sustainable home-grown leaves, berries and fruits – many of which were hand-picked just hours ago in our Walled Garden.

Which garden-grown botanicals will you enjoy in your glass today?

# WINE MENU

## OUR STORY

We want you to end up with a wine that suits your personal palate perfectly, so we make sure our staff taste these frequently. Please do ask for a description if you need it.

## CHAMPAGNE LAURENT-PERRIER

---

We are proudly in partnership with Champagne Laurent-Perrier,  
and we bring you a selection of their outstanding wines.

Founded in 1812, the House of Laurent-Perrier has been defined by its pioneering role in innovating champagne throughout its history. Its innovation is rooted in unique savoir-faire, passed down through generations. Internationally recognised as one of the foremost names in Champagne, its success can be attributed to a deliberate policy of challenging conventional techniques, whilst honouring traditional values, a passion for quality and, above all, respect for nature and the terroir.

The Laurent-Perrier portfolio is built around three distinct expressions of its unique savoir-faire. The first is the art of assemblage of reserve vines, exemplified by Grand Siècle—a prestige cuvée crafted from three exceptional vintages to recreate the perfect year. The second is the mastery of maceration, an innovative winemaking technique that led to the creation of Cuvée Rosé in 1968. Finally, the House pioneered the non-dosé (zero dosage) style, a visionary approach that continues today with Blanc de Blancs Brut Nature.

We encourage you to explore the breadth of their offering within our wine list.

## CHAMPAGNE LAURENT-PERRIER

---

### **Laurent-Perrier La Cuvée**

22/105

Delicate yet complex, with elegant notes of citrus and white flowers.

### **Laurent-Perrier Héritage**

24/135

Héritage is borne out of the savoir-faire of Grand Siècle: a complex blend of several vintages from the best Crus of Champagne and two grape varieties.

### **Laurent-Perrier Cuvée Rosé**

30/150

Using the highest quality Pinot Noir grapes, this iconic rosé is one of the few rosé champagnes that is made by drawing the juice from black grapes in the vat, instead of blending red and white wines. This gives it the highly expressive bouquet and delicious raspberry and wild cherry flavours that have made it a benchmark for rosé champagnes around the world.

### **Laurent-Perrier Brut Millésimé 2015**

34/175

Laurent-Perrier is highly selective and only produces a vintage in the very best years. Whilst staying true to the House style of freshness and elegance, the Vintage also aims to show the quintessential character of the individual year. The result is an elegant and rounded champagne with a zesty finish.

### **Laurent-Perrier Blanc de Blancs Brut Nature**

36/200

A showcase in Laurent-Perrier's expertise with Chardonnay. The concentrated palate is crisp and fresh, with slightly fuller citrus notes of grapefruit leading into mineral overtones on the long finish. Exceptional pairings include crustaceans, noble fish, and other salty or citrusy dishes.

## CHAMPAGNE LAURENT-PERRIER

### **Grand Siècle Iteration N°26**

55/325

Vintage in Champagne is usually synonymous with excellence for Prestige Cuvées. Contrarily, Laurent-Perrier has always been convinced that only the art of assemblage can offer what nature can never provide: the perfect year. The expression of the perfect year is that of a great Champagne wine that over time has developed a depth, intensity and aromatic complexity, yet maintains its freshness and acidity. To create such a wine, Laurent-Perrier will rely on the characteristics of the great vintage years of Champagne: freshness, structure and finesse. Iteration N°26 is composed of 2012, 2008 and 2007 vintages, aged for a minimum of 10 years in bottle, and sourced from select Grand Cru plots.

### **Grand Siècle Iteration N°23 in magnum**

795

Due to the format, Grand Siècle in Magnum is deliberately aged for a longer time on lees. This additional maturation leads to a further expression of Grand Siècle displaying greater aromatic depth, density and a silkier texture. Since 1959, Grand Siècle has been revealed only 26 times in bottle format and 23 times in Magnum. Iteration N°23 in magnum is composed of 2006, 2004 and 2002 vintages, with ageing on lees in excess of 16 year.

### **Alexandra Rosé 2012**

575

Bernard de Nonancourt took the opportunity of his elder daughter Alexandra's marriage in 1987 to create this rare vintage rosé champagne. Only hand sorted grapes from the very best plots are used in the blend which is then carefully aged for at least six years in the cellars. Lively and crisp, this exclusive champagne is full-bodied with a velvety texture and aromas of wild strawberries.

### **Laurent-Perrier Harmony Demi-Sec**

130

Rich and full-bodied with subtle notes of honey, dried fruit and hazelnuts. Best enjoyed with rich savoury dishes, or light and fresh desserts.
