

THE STABLES

BAR MENU

George Stubbs, the 18th-century artist, was a regular visitor to these old stables. He didn't come for the beef, chicken or fish, but for the horses. Leaving his home in Edgware, George would walk the leafy lanes of Hertfordshire until he arrived at The Grove.

Here, inspired by the fine mares and stallions, he would spend hours at his easel. Today, of course, the horses have been replaced by golf carts, and the horseshoes have given way to soft spikes.

We like to think, however, that some of the Stubbs magic remains. Like George, our chefs create one masterpiece after another.

It also pays homage to our wartime Prime Minister, combining his love of both whisky and cigars.

WINE AT THE STABLES

We want you to end up with a wine that suits your personal palate perfectly, so we make sure our staff taste these frequently. Please do ask for a description if you need it.

CHAMPAGNE LAURENT-PERRIER

We are proudly in partnership with Champagne Laurent-Perrier,
and we bring you a selection of their outstanding wines.

Founded in 1812, the House of Laurent-Perrier has been defined by its pioneering role in innovating champagne throughout its history. Its innovation is rooted in unique savoir-faire, passed down through generations. Internationally recognised as one of the foremost names in Champagne, its success can be attributed to a deliberate policy of challenging conventional techniques, whilst honouring traditional values, a passion for quality and, above all, respect for nature and the terroir.

The Laurent-Perrier portfolio is built around three distinct expressions of its unique savoir-faire. The first is the art of assemblage of reserve vines, exemplified by Grand Siècle—a prestige cuvée crafted from three exceptional vintages to recreate the perfect year. The second is the mastery of maceration, an innovative winemaking technique that led to the creation of Cuvée Rosé in 1968. Finally, the House pioneered the non-dosé (zero dosage) style, a visionary approach that continues today with Blanc de Blancs Brut Nature.

CHAMPAGNE LAURENT-PERRIER

125ML BOTTLE

Laurent-Perrier La Cuvée	22	105
Delicate yet complex, with elegant notes of citrus and white flowers.		
Laurent-Perrier Héritage		135
Héritage is borne out of the savoir-faire of Grand Siècle: a complex blend of several vintages from the best Crus of Champagne and two grape varieties, Chardonnay and Pinot Noir (2014, 2016, 2018, 2019). Made exclusively with reserve wines selected for their freshness, elegance and complexity, this wine offers great purity and perfect maturity.		
Laurent-Perrier Cuvée Rosé	30	150
Using the highest quality Pinot Noir grapes, this iconic rosé is one of the few rosé Champagnes that is made by drawing the juice from black grapes in the vat, instead of blending red and white wines. This gives it the highly expressive bouquet and delicious raspberry and wild cherry flavours that have made it a benchmark for rosé champagnes around the world.		
Laurent-Perrier Brut Millésimé 2015		175
Laurent-Perrier is highly selective and only produces a vintage in the very best years. Whilst staying true to the House style of freshness and elegance, the Vintage also aims to show the quintessential character of the individual year. The result is an elegant and rounded Champagne with a zesty finish.		
Laurent-Perrier Blanc de Blancs Brut Nature		200
A showcase in Laurent-Perrier's expertise with Chardonnay. The concentrated palate is crisp and fresh, with slightly fuller citrus notes of grapefruit leading into mineral overtones on the long finish. Exceptional pairings include crustaceans, noble fish, and other salty or citrusy dishes.		

Grand Siècle Iteration N°26

55

325

Vintage in Champagne is usually synonymous with excellence for Prestige Cuvées. Contrarily, Laurent-Perrier has always been convinced that only the art of assemblage can offer what nature can never provide: the perfect year. The expression of the perfect year is that of a great Champagne wine that over time has developed a depth, intensity and aromatic complexity, yet maintains its freshness and acidity. To create such a wine, Laurent-Perrier will rely on the characteristics of the great vintage years of Champagne: freshness, structure and finesse. Iteration N°26 is composed of 2012, 2008 and 2007 vintages, aged for a minimum of 10 years in bottle, and sourced from select Grand Cru plots.

Grand Siècle Iteration N°23 *in magnum*

795

Due to the format, Grand Siècle in Magnum is deliberately aged for a longer time on lees. This additional maturation leads to a further expression of Grand Siècle displaying greater aromatic depth, density and a silkier texture. Since 1959, Grand Siècle has been revealed only 26 times in bottle format and 23 times in Magnum. Iteration N°23 in magnum is composed of 2006, 2004 and 2002 vintages, with ageing on lees in excess of 16 years.

Alexandra Rosé 2012

575

Bernard de Nonancourt took the opportunity of his elder daughter Alexandra's marriage in 1987 to create this rare vintage rosé Champagne. Only hand sorted grapes from the very best plots are used in the blend which is then carefully aged for at least six years in the cellars. Lively and crisp, this exclusive Champagne is full-bodied with a velvety texture and aromas of wild strawberries.

Laurent-Perrier Harmony Demi-Sec

130

Rich and full-bodied with subtle notes of honey, dried fruit and hazelnuts. Best enjoyed with rich savoury dishes, or light and fresh desserts.
