

Lounges

16 Jan 1861

The Grove, Watford, Herts.
Seat of the Earl of Clarendon

WELCOME TO THE LOUNGES

OUR STORY

Make yourself at home in the Lounges. They are, after all, the historic drawing rooms of The Grove, built in 1756. Today, they fuse the spirit of this grand old country house with contemporary artisanal and urban style. Each space expresses its own personality, unified by the art of surprise, and paying homage to the gardens outside.

Here, stars cluster, from football to film. It's where Presidents and Prime Ministers come for world-gatherings and pots of loose-leaf tea. It's where movies have been filmed. It was the secret HQ for Project X during WWII. Longer ago, it's where Vita Sackville West found lovers, and where lavish house parties – thrown by the Earl of Clarendon – kept Queen Victoria amused.

Make your own history here today.

COCKTAIL MENU

FROM GARDEN TO GLASS

The Grove's Walled Garden dates back to 1878, when the Earl of Clarendon was in residence. Since then, classic and exotic ingredients have flourished under the watchful eye of successive head gardeners. Our cocktails use sustainable home-grown leaves, berries and fruits, many hand-picked just hours ago in our Walled Garden... served with a dash of history.

CHAMPAGNE & WINE

LAURENT-PERRIER AT THE GROVE

We are proudly in partnership with Champagne Laurent-Perrier, and we bring you a selection of their outstanding wines.

Founded in 1812, the House of Laurent-Perrier has been defined by its pioneering role in innovating champagne throughout its history. Its innovation is rooted in unique savoir faire, passed down through generations. Internationally recognised as one of the foremost names in Champagne, its success can be attributed to a deliberate policy of challenging conventional techniques, whilst honouring traditional values, a passion for quality and, above all, respect for nature and the terroir.

The Laurent-Perrier portfolio is built around three distinct expressions of its unique savoir faire. The first is the art of assemblage of reserve vines, exemplified by Grand Siècle—a prestige cuvée crafted from three exceptional vintages to recreate the perfect year. The second is the mastery of maceration, an innovative winemaking technique that led to the creation of Cuvée Rosé in 1968. Finally, the House pioneered the non dosé (zero dosage) style, a visionary approach that continues today with Blanc de Blancs Brut Nature.

We encourage you to explore the breadth of their offering within our wine list.

ART IN THE LOUNGES

Everything you see is handmade by artists and craftsmen; most were created specifically for these spaces. The suspended gold bar and loom sculptures are by Umut Yamac. The bronze table is a recycled sculpture from our sister hotel, The Athenaeum. Hand-painted hessian, hemp and linen wall-coverings were designed by Martin Hulbert and made in Italy. The artisanal Scandinavian chest came from the south of France. The vintage Murano glass blue chandelier was sourced in a garage on Pimlico Road. Crockery is by celebrated ceramicist, William Edwards.
