

FROM GARDEN TO GLASS

For centuries, the walled gardens of stately homes have produced fresh delights for the privileged few.

Their very presence was seen as a statement of status and wealth.

The Grove's Walled Garden dates back to 1878 when the Earl of Clarendon was in residence. Since then, classic and exotic ingredients have flourished under the watchful eyes of successive head gardeners.

Our cocktails use sustainable home-grown leaves, berries and fruits – many of which were hand-picked just hours ago in our Walled Garden.

Which garden-grown botanicals will you enjoy in your glass today?

WINE MENU

OUR STORY

We want you to end up with a wine that suits your personal palate perfectly, so we make sure our staff taste these frequently. Please do ask for a description if you need it.

CHAMPAGNE LAURENT-PERRIER

We are proudly in partnership with Champagne Laurent-Perrier, and we bring you a selection of their outstanding wines.

Founded in 1812, the House of Laurent-Perrier has been defined by its pioneering role in innovating champagne throughout its history. Its innovation is rooted in unique savoir faire, passed down through generations. Internationally recognised as one of the foremost names in Champagne, its success can be attributed to a deliberate policy of challenging conventional techniques, whilst honouring traditional values, a passion for quality and, above all, respect for nature and the terroir.

The Laurent-Perrier portfolio is built around three distinct expressions of its unique savoir faire. The first is the art of assemblage of reserve wines, exemplified by Grand Siècle—a prestige cuvée crafted from three exceptional vintages to recreate the perfect year. The second is the mastery of maceration, an innovative winemaking technique that led to the creation of Cuvée Rosé in 1968. Finally, the House pioneered the non dosé (zero dosage) style, a visionary approach that continues today with Blanc de Blancs Brut Nature.

We encourage you to explore the breadth of their offering within our wine list.
