
THE GROVE

WELCOME TO THE GROVE

Tucked away in 300 acres of Hertfordshire countryside, just 20 minutes from London, The Grove is a vibrant five-star resort with a difference. 214 stylish rooms and individually designed suites blend modern luxury with the charm and character of the estate's 18th-century heritage.

From the award-winning Sequoia spa and championship golf course to distinctive restaurants and bars – including the renowned buffet restaurant, The Glasshouse – there's plenty to discover. Step outside and you'll find woodland trails to wander, alongside a host of activities for all ages, from archery and axe-throwing, to bike rides and musical trails for little ones.

In the summer months, the Walled Garden lies at the heart of it all. Home to the newly-refurbished Ralph's Beach, a heated outdoor pool, and a Kitchen Garden which provides fresh produce for the chefs.

Packed with personality and just far enough from the city to feel like a true escape, The Grove is the kind of place you'll want to return to. Days here are designed to be unhurried and joy-filled, with space to connect, celebrate or simply switch off.

We also work closely with Unity in the Community, helping to raise awareness of their work by hosting and supporting charity days and events. Through our annual family fun day and community celebrations, we provide a platform for local charities to showcase their initiatives, engage with residents and strengthen the community.

We also believe in empowering our people. From tailored development programmes and training workshops to career fairs and wellbeing resources, we are dedicated to developing our team's growth and supporting their ongoing development.
