GOLF AT THE GROVE

Widely regarded as one of the finest golf courses in Europe, playing host to the **2006 World Golf Championships 2006 and 2016 British Masters** supported by Sky Sports, you and your guests can test your skills here and see how you compare to the very best in the world.

The Grove is not a members' club, but a course open to any golfer who loves the game. Playable all year round, the **7152-yard par 72** championship course is perfect for groups of friends or for corporate events, from beginners to seasoned pros.

There's no stuffiness or dress restrictions here, and the atmosphere is relaxed. Great food and drinks are available both pre and post golf. Our facilities also include a full-length TrackMan driving range, short game area, putting green and a well-stocked golf shop.

FIRST IMPRESSIONS

From the moment you arrive to the time you leave, our personal service and attention to detail will ensure you and your guests have the most welcoming, world-class golf experience.

As part of your corporate experience, you will have exclusive use of the Players' Lounge and The Stables Courtyard – the perfect spaces for celebrating the day and handing out the winners' prizes.

Every golf day will receive tournament management, which will ensure the smooth running of your day from start to finish. We also provide personalised locker signs, cart cards, announcements on the tee and live scoring.

Our on-course player assistants will be there to lend a helping hand if required, although tips on your stroke will be strictly on request only!

TEEING OFF

Before you head out onto the course, get ready in your reserved locker area and enjoy breakfast or a light lunch. Once fuelled, warm up on our TrackMan driving range, hitting off real grass with your own pyramid of balls.

Make your way to the first tee, ready for a challenging 18 holes on the par 72 world championship golf course, designed by renowned course architect, Kyle Phillips.
